

Attach Default Standards to Class

1. Go to the hamburger menu icon at the top left hand side.
2. Select **System**.
3. Scroll to bottom and click on **Configuration**.
4. Scroll down and click on **Standards**.
5. Select the **DCOL Standards** for the Class. (not the ones in red).

6. Click the arrow beside the DCOL to expand out the standards. Select the first group. The standards appear on the right hand side.

- Underneath each standard there is **Assign Course**. Click to see all the courses.

Assign to Course

Cancel Save and Close

- Click the class the standard should be assigned to (e.g. 03 ENG).
- Click on the **single** > to bring it over.
- Click **Save and Close**.
- This will need to be done for each group of standards.
